### Holiday Decals

Holiday Decals are made available through the GBA. These window decals not only provide a professional appearance, but also contain the 10 holiday close dates recognized by the Federal Reserve Bank, in accordance with FDIC rules.

### Salary Survey

A comprehensive guide is compiled each year. This survey includes salary and benefits data for over 120 banking positions.

### GBA Guide to Record Retention

GBA members have relied on the association-produced record retention manual to not only stay in compliance with state and federal retention requirements, but to also save money by not keeping records longer than necessary. We are pleased to announce the newly-revised edition of the GBA Guide to Record Retention is now available.

### Georgia Financial Institutions Directory

The Bank Directory contains complete information on all the banks in the state and is invaluable to banking professionals. Also included are a listing of Associate Member Companies and GBA's own Endorsed Partners to assist you in locating companies who provide useful products for your financial institution.
