

Congratulations 2009 AIB Graduates

The [American Institute of Banking](#) (AIB) has been recognized as the industry standard in banking education and training for over a century, and the GBA is proud of its commitment to Georgia bankers by offering AIB courses. AIB Diplomas and AIB Certificates are well recognized within banking and financial communities and earning one of these diplomas or certificates can take years of dedication, commitment and perseverance. It is with great pleasure we announce the 2009 graduates of the American Institute of Banking. We could like to congratulate all graduates.
