Thumbprint Signature Program

Touch Pads - the pads have a shelf life of 18 months and will provide **2,000-2,500** impressions. Banks should order enough for all tellers. Pads are 2" in diameter. If you would like your bank's logo to appear on the pad, please contact GBA's Kenyetta Parks for information (404) 420-2035.

Teller Window Display - post these 6" x 3" "tent-style" display signs at all teller windows as an additional reminder that they participate in the program. The signs read "For the protection of our customers, Thumbprint Signatures will be obtained from all non-account holders seeking to cash checks."

Statement Stuffers- 3.5" x 7.5" brochures explains the mechanics of the program. Banks should send them as a public service announcement to all account holders and have plenty available for anyone who might have questions about the program. Please order in increments of 500.

Decals - banks should post decals at all entrances, including drive thru, to let people know they are participating in the program and to warn potential criminals that their crime will not go undetected. Banks may also want to post decals in their drive-through stations.
